

AR111 12W Spotlight

Product Features:

- 12 Watt
- G53 base
- 30,000 hours lifespan
- No harmful UV or IR radiation

Product Description:

The AR111 Spotlight is the perfect retrofit product for a 50Watt halogen G53 fitting. It is a robust complete unit and its superbly engineered housing dissipates heat and keeps the unit below maximum running temperature.

The AR111 is designed for Retail use but will fit both commercial and domestic requirements. Helping lower emissions, cut energy usage, reduce maintenance costs whilst providing an impressive 52 lumens per Watt - making this lamp an ideal choice for; retail shops, offices, restaurants, shopping centres, hotels, museums, corridors, reception areas.
